Please find below and/or attached an Office communication concerning this application or proceeding.

DETAILED ACTION

Notice of Defective Appeal Brief and Status of Claims after Final

The claims appendix filed with the Appeal Brief on 11/24/06 is defective because it includes claim limitations that were not entered after final. The currently pending claims are the claims filed 10/24/05 and only those claims can be used for purposes of appeal. The claim amendment filed 5/17/07 has not been entered because they contain the same deficiency of the claims filed with the Appeal Brief. Appropriate correction is required.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ROBERT HODGE whose telephone number is (571)272-2097. The examiner can normally be reached on 8:00am - 4:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick Ryan can be reached on (571) 272-1292. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
